CITY/TOWN	PROPERTY	DATE	ACRES	GRANT TYPE	STATE FUNDS	PROJECT DESCRIPTION
South Kingstown	Kenyon Farm	12/20/2001	172.13	Conservation Easement	\$300,000	Acquisition of the development rights to the 175-acre Kenyon Farm on Usquepaugh Road (Route 138) in the Usquepaugh section of West Kingston. This project will provide a significant addition to the protected complex of agricultural land in this area, and contribute to protection of the Usquepaug River. The current owner will continue to operate a working farm, with pastures and corn silage.
South Kingstown	Saugtucket Park Renovation	4/15/2004		Recreation Development	\$300,000	Construction of new playground to meet safety standards
South Kingstown	Barbers Pond Road – South Kingstown Land Trust	11/18/02	72.7	Open Space	\$400,000	Acquisition of 73 acres of land between Barber's and Yawgoo Ponds. This acquisition protects shorelines of the ponds, portions of the Chickasheen River that connects the ponds, and other wetlands including a shrub bog.
South Kingstown	Zinns Drive – South Kingstown Land Trust	10/27/00	47	Open Space	\$84,000	Acquisition of land on Zinns Drive, off Route 108 in Kingston. The land, a diverse mix of forest, agricultural field and stream, is adjacent to the University of Rhode Island's East Farm and to Audubon Society property. \$94,000 in local funds will be used as financial match for the Trust acquisition, which will add to the complex of protected forest and farm wildlife habitat in the Saugatucket River Greenbelt.

**Open Space, Recreation & Clean Water Projects
Supported by State Bond Funding 1999 – 2004**

CITY/TOWN	PROPERTY	DATE	ACRES	GRANT TYPE	STATE FUNDS	PROJECT DESCRIPTION
South Kingstown	Tower Hill Road – Narrow River Land Trust	10/27/00	55	Open Space	\$200,000	Acquisition of forestland on Tower Hill Road in the vicinity of Pettaquamscutt Rock. The property provides a scenic and historic resource and added protection to the watershed of Narrow River. It includes an old graphite mine that is unique to the region, a historic cemetery, and a bluff with a spectacular view of the Narrow River, Jamestown, Narragansett Bay and Rhode Island Sound. The trust plans to provide guided annual historic walks at the site, and students from the University of Rhode Island will visit to view the mine.
